To Whom It May Concern,

I was searching my files this week and realized an annual report was due. Considering this Company, iTrade Networks, is not in operations, we had not checked the files in some time. I would like however, to continue the registration of this company but I may pay the money out of my own pocket. Any late fees are unaffordable to me and I respectfully ask that you accept my \$150 registration fee. I apologize for any inconvenience. This is all the money I have now. Please call if this is a problem. David Harris
