Please I am asking you for help and consideration in my case.

Due to health reasons, I have been under a lot of stress, in and out the hospital and doctors offices, being tested for cancer, which I had before.

I thought the report was correctly mailed on time. For my dismay I realized that it had been misplaced and I was late. I mailed as soon as I could. My husband has many problems also, he can not read very well. I am the person in charge of paper work and books of the business. Our company is very small and these months in special are really slow.

Please, we need help with the late fee. Can something be done in our case? I repeat, this was not neglect and I apologize for the inconvenience. It happened due to the circumstances involved.

I hope you help us. Please.

Sincerely

Nydia York
