UBR/Division of Corporations

To whom it may concern:

I deeply regret not filing my UBR on time. Macabeos Corp. was incorporated on May 1999, and I did not receive a form for the filing of the UBR2000. The corporation is still in its start-up, and at present time there is no cash flow and no revenues. This oversight was not intentional but I still want to keep this corporation active in order to achieve my business plans.

I appreciate your excusing this penalty for this time, since it will help the corporation tremendously to stay active and become profitable.

Sincerely,

Elias Echeverri
President
