Dear Madam: There are two more corporations that should be the last ones that did not get filed this one was just sent back to me on November 6, 2000, do to the wrong address I was mailing the UBR forms to. This letter is to inform your office that we never received our 2000 uniform business report and because of that our office called the department of state and requested a form. Since we never received a form we could not file it on time. The department of state directed me to the request forms line and told our office to send a letter stating why it was not filed on time. In lue of all my attempts it seams as if I was given or wrote down the wrong zip code so this corporation was also delayed because the from was returned for corrections and sent back to the wrong address. I have sent many letters and have requested a response I have never received a letter prior to the dissolution letter.

Please make the correct changes to my records and file my corporation UBR from for 2000. Thank you for your time in concerning this matter.

Sincerely,
