To Whom It May Concern:

I am writing to correct an error that began with the Department of Corporations earlier this year. I did not receive the annual report prior to May 1<sup>st</sup>. Recognizing the need to send it in by no later than May 1<sup>st</sup>, I downloaded the UBR application from [www.sunbiz.org](http://www.sunbiz.org) in late March (documented and recorded download date). I am enclosing a copy of the completed UBR report that I completed and signed on 4/1/02. I sent the UBR on that date, and recorded the metering and postage and addressed the envelope to the same address as the one you've received this letter in. I enclosed check number 1604 from my business account at Platinum Bank and included it with the UBR application. The check was payable to the department of state as instructed. After speaking with a representative earlier today at the 850-488-9000 number provided on the front of the only UBR my office has received this year, I found out that no report has been filed by your department. If lost in the mail, it would be the first letter out of thousands my office has sent that has been lost by the US Postal Service. I did not send the letter certified but perhaps that might be the preferred method in the future.

After speaking with your department, I am hoping that the UBR report, which if not downloaded prior to May 1<sup>st</sup> would have shown the \$550 fees instead of \$150, will provide reasonable evidence to suggest that I did comply with the early filing. I will send all correspondence certified in the future to avoid this complication in the future, the high penalties associated with it, the cost of stop payment of prior checks written, and the additional work in attempting to resolve this problem. It is my hope and belief after speaking with your department that this package with a new check for the pre May 1<sup>st</sup> filing deadline amount of \$150 will satisfy the division of corporations. Please respond in writing or feel free to call my office toll free at 1-888-538-2397. Thank you for your prompt attention to this matter.

Sincerely,

  
Scott Chapman

Check Number: 1604  
Payable to: Department of State  
Date written: 3/31/02  
Account number with Platinum: 102741  
Amount of Check: \$150

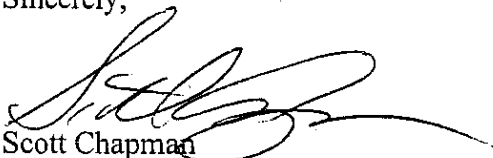

To: Sue

Dear Platinum Bank:

Please stop payment on check number 1604. I am writing to your institution as instructed. The reason that I am requesting a stop payment on this check is that I sent it out to the division of corporations three months ago and they claimed they have never received it as of 7/1/02. This is the only check in recent months that has not cleared or has taken more than a few weeks to clear once sent to any individual, institution, or entity. Now that I am replacing check number 1604 with a new one, I am concerned that check number 1604 might get cashed inadvertently or not, either way; it would likely be difficult and timely to obtain an overpayment refund.

The check that is replacing the stop payment check will be check number 1700, also payable to the department of state. I was informed that any checks with similar characteristics might inadvertently get stopped without informing you that it should not. I am aware that a stop payment fee will be deducted from my account for this service. Thank you for your prompt attention to this matter.

Sincerely,

  
Scott Chapman
