Re: Corporation Name: **Knickmanagement, Inc.**
Document Number: **P99000045539**

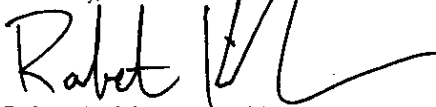

To whom it may concern;

I am sorry for the delay in writing to you regarding the above mentioned document number and corporation. I received a revocation notice from you stating that I needed to return my corporation to an "active" status. Upon contacting your offices, I was informed by one of your representatives that in order to "reactivate" my corporation I would need to pay \$750.00.

Although I understand there are costs associated with keeping a business on file with the State of Florida, I am totally caught off guard by this request as this document is the first and only document I have received from the state about my corporation's "active" or "inactive" status. If I had received any other notices and/or requests, I would have taken action on it, followed procedure and submitted it. Again, to date, I have not received any notices and/or requests from the State regarding my corporation.

As I explained this to the gentleman I spoke with this morning, he suggested I submit a letter stating that this was the first and only time I have received any contact regarding the above mentioned corporation along with a check in the amount of \$150.00 to cover the documentation fees. Enclosed is a check in this amount. I hope you will accept this check in good faith, as I have not received any other notices other than this application for reinstatement. If you should have any questions, please feel free to contact me at the numbers listed below.

Sincerely,

Robert Knickman, President
Knickmanagement, Inc.
