To The Division of Corporations:

Attached please find our Uniform Business Report (UBR) for the year ending December 31, 1999. We are responding with regard to notification by your office termed the "second notice" requesting payment plus a penalty for \$400.00 for non-filing. This is our first year of operations and at no time have we received notification that this report was due prior to receipt of the final notice.

Our office had contacted your department and spoke with a representative by the name of "Ruth", who stated that we should have received notice around January for the UBR. As previously stated, due to the fact we received no prior written notice, we have enclosed the standard fee of \$150.00 and ask that you waive any associated penalty on the premise that we will most certainly file future UBRs on a timely basis.

Please feel free to call with any questions you may have. Thank you for your assistance and consideration in this matter.

Respectfully,

B. Michael Friedman
