RE: Statement of Business Identity Theft/ Unauthorize Changes To
Filing of Corporate Records

Respiratory Therapy Providers, Inc.
P99000047190

On October 23, 2020 I received an email form the Florida Department of State, Division of Corporate Records that information pertaining to my business, Respiratory Therapy Providers, Inc. had been altered and filed. This was done without my knowledge and consent.

My email address and primary address were changed and my annual fee paid. The address was change to 255 Primera Blvd, Suite 160, Lake Mary, Florida 32746. This address is used by various companies needing a primary physical address. The corporate fee was paid by using a Master Card with the name of Anita Coleman of 3320 NW 188th Street, Miami Gardens, Florida. I do not know this person.

I have edited the false information and entered my primary address and e-mail. It now reflects the corrected information on the corporate profile. I have filed police reports of business identity theft with my local police department and the Florida State Attorney General Fraud Division. I have expressed concern that the person(s) involved in this information theft will use it to obtain funds from the government under the small business Corona Virus Relief Package.

Sincerely,

Robert C. Staeheli,

Robert C. Staeheli
