RE: Taft Construction Services, Inc.

To Whom It May Concern:

My client, Robert E. Taft, owner of Taft Construction Services, Inc., recently discovered that his corporation has been administratively dissolved for non-filing of the 2002 Uniform Business Report.

During 2002 Mr. Taft was diagnosed with cancer, underwent brain surgery and follow-up treatment. Throughout his recovery period, Mr. Taft had no other choice but to focus all of his time and strength on getting better. Now, a year later, Mr. Taft is finding himself ready to bring his business up to the standards he followed before his diagnosis.

Therefore, we respectfully request that Mr. Taft be given special consideration to have his corporation reinstated by paying the Annual Report fee of \$150.00 for 2002 due to the circumstances detailed above. Should you require documentation from his medical provider(s), we can certainly begin the process to obtain any information you request. Further, we ask that you also note that his prior year Uniform Business Reports were filed timely, as was his intention for 2002.

Please let us know as soon as possible the decision in this matter. We greatly appreciate any consideration given in this matter.

Sincerely,

Swart Baumruk & Company, LLP
