To All Concerned

Effective July 1, 2002, we are reverting back to a Sole Proprietor form of business. incorporated when business volume required us to hire employees and that is no longer the case. We now view the State Incorporation fees as an unnecessary expense.

We operated as Sole Proprietor for six years with no drawbacks, but we are advising all of our creditors and vendors in the event there is a perspective that we have not considered.

If that is the case, please contact us so we may consider all points.

Very Truly Yours,

N. J. Charron
