REGARDING: Uniform Business Report - Second Notice Received

I do not understand why I never received the first notice. If a report or a check was required to be sent before now why was I not notified? The only incorrect information in the notice received is in the address. The zip code, on the report is "32073" the correct zip-code is "32065". Is there any way in resolving this issue and waive the additional fee of \$400.00 when I was never notified before now?

Please contact me at the above number or address.

President

William G. Evans
