To Whom It May Concern:

After exhausting all efforts to market the rug anchor, I have decided not to pursue the rug anchor as a marketable item. Corporations such as Home Depot, Capel Carpet corporation, refused to consider marketing the product because possible law suites. They were concerned a child would be injured by the rug anchor's metal fingers.

Please let me know if I will be required to file any sort of document with the State of Florida for calendar year 2002.
