Dear Department of Corporations,

I would like this to be a requested dissolution of corporation. I had called the office of Corporations a couple of times to inquire how to do this procedure. I was instructed to leave my name and number so that I would receive the proper information. I did not receive anything other than the form to file for the continuance. If there was something else, I have totally missed it. What ever I need to do, I am requesting to do it. This is obviously something that I was miss-informed about by my advisors.

I, Thelma Bowers-Lee, had filed for a Corporation but was not able to complete anything else. I had never received a FEI number either. I have kept my occupational license and have filed my state sales tax forms as I always had previously.

At the time of filing I was told to file for a corporation due to the fact that I had submitted a larger construction bid. Had I received the bid, I would need to be a formed corporation. I did not receive the bid and have not received any others. I have not performed any work during this past year .

I would appreciate consultation on this matter if at all possible. Thank you for your

Sincerely,

*Thelma Bowers-Lee*
