FIRST: Article IV is hereby amended and restated in its entirety to read as follows:

CAPITAL STOCK AND DIVIDENDS

The amount of Capital Stock authorized shall consist of one million (1,000,000) shares of common voting stock having a par value of One Cent (\$0.01) per share which may be issued for consideration consisting of any tangible or intangible property or benefit to the Corporation, including but not limited to cash, promissory notes, labor or services performed, promises to perform labor or services evidenced by written contract, or other securities of the Corporation, which the Board of Directors of the Corporation determines is adequate.
