To Whom It May Concern:

July 31, 2001

I am writing your company regarding the Uniform Business Report. I contacted your company on July 26,2001 because I received a bill of \$550.00 as a renewal fee for this year, I was rather surprised because the previous year I only paid a fee of \$150.00. The representative that I spoke to said that the difference were charges for late fees, and that I should have contacted the office at an earlier date if I had not received the original letter. This is only the second year that I have filed for this report and I was not aware of the fact that there was a date on which I needed to contact your office by to ensure that I was not charged late fees. I am now aware of the fact that the dates on which I need to contact your office if I do not receive any correspondence from you is in the Articles. I am writing you as a plea to waive the late charges on my account and accept my check for \$150.00 to renew my membership. If you research my account you will see that last year I paid the fee before the due date and that since this would be my second year I would have done the same if I would have received the bill. Please note in the form enclosed my recent change in address; I hope that you can take my situation into consideration. If you need to contact me for any reason please feel free to reach me @ 305-576-6600,ext 23.
