To whom it may concern:

Enclosed you will find my 2001 uniform business report, a check in the amount of \$150.00 and the e-mail correspondence between myself and Jennifer & Kristen from your office regarding this matter. I sincerely regret that my payment was not made by the original date of June 1st, but as I explained in the e-mail, I did not receive the original notice.

Jennifer explained that including this letter with my check and completed UBR would waive the late fee and update my records. I sincerely appreciate your understanding and will always make every effort to comply in a timely manner with all reports and fees. Please look into the reason why we did not receive our initial notice as I would like to avoid this situation next year.

Again I thank you for your understanding.

Respectfully,

Michael W. Gulick

President, Express Time II, Inc.

Kristen,

I know you have probably heard this 1,000 times but I never was notified in May. I work very hard to insure all of my taxes and fees are paid on time and I am positive that I never received notice prior to May. Is there anything we can do? I really cannot afford to pay that steep of a penalty. I will be happy to pay by credit card or any method that would give you the money right away.

Please check to see if there is anything you can do to help. I have

only been in business for a year and I just can't afford to get hit with a \$550.00 tax bill. Especially since I honestly did not receive a notice for the original amount.

Any help you could be would be greatly appreciated.

Thank you for your time,

Mike Gulick
