RE: Administrative Dissolution

DATE: October 17, 2000

First of all, please let me apologize for what has turned out to be a huge mix-up. We did not receive the first notice for the annual report/uniform business report. When we received the second notice, I included a letter in the package that I gave my assistant, apologizing for the lateness and the fact that we never got the first notice. I told my assistant to send the check in order for you to receive it on September 13th but found out later through a conversation that she misunderstood the date and thought I said the 30th. However, she did mail it before September 30th thinking she was on time and not knowing she was late. According to your letter dated September 19th, 2000 which I only received in my hands yesterday afternoon, **October 16th, 2000**, and relayed to one of the employees in the Dissolution Department, you did receive it right after September 13th, 2000.

I would be very **grateful** if the additional **\$400 charged due to lateness and on my side, not receiving the first notice and a lot of mix-up** be waived and that R and D Auto Inc. be re-instated. I have included in block 4 our Federal Employer Identification (FEI) number and a check in the amount of \$8.75 for **Certificate of Status**. Please accept our apology. Thank you for your time.
