RE: Platinum Metals Processing, Inc.

Document #: P99000069090

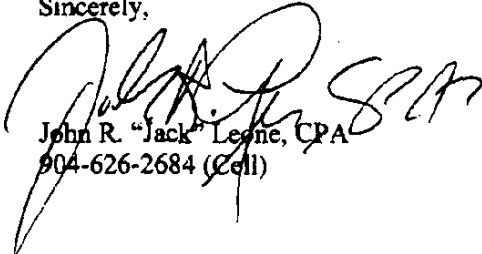

Dear Sir or Madam:

Please allow this letter to serve as the documentation needed reinstate the above referenced corporation. I have had several discussions with different people within the Department of State and have been quite satisfied with the service. After speaking with these individuals at the Division of Corporations, this corporation was reinstated as of November 21, 2007 and I have provided copies of the internet page and confirmation letters verifying this fact. Subsequently to this reinstatement, the corporation returned to its status prior.

I placed a call to the Department of State again today to try to understand why the reinstatement has revoked. I have been in contact with the individual that inadvertently requested this same corporate name, and, as along with this letter is included the necessary information needed to return it to the status as of November 21, 2007.

If there is additional information needed, please do not hesitate to call.

Sincerely,

John R. "Jack" Leone, CPA
