The 1<sup>st</sup> Uniform Business Report paperwork was received on September 22 or 23<sup>rd</sup>, 2001. That is why I called and spoke with the gentleman Steven or Stephens. The conversation with this gentleman revealed that in the wake of the September 11 disaster, much of the mail had been diverted or something.

Now comes your letter with a date of 10-24-01, and it is received on December 18, 2001. Has the tragedy in this country slowed all this down this much?

I apologize for the delay on my part, but what is going on with the mail? By the way, the postmark on your letter was in line with the date on the letter.

I certainly hope this reaches you in a timely manner.

Thank you for all your patience and understanding in this matter.
