SECRETARY OF STATE
TALLAHASSEE, FLORIDA

Pursuant to the provisions of Section 607.0704, Florida Statutes, this Florida profit corporation adopts the following articles of amendment to its articles of incorporation:

FIRST: The following amendment was adopted by the Board of Directors on February 3, 2000.

ARTICLE V is hereby amended to read in its entirety as follows:

The capital stock of BitTime.com, Inc. (the "Corporation") shall consist of 40,000,000 shares of Common Stock, each share with a par value of \$0.01 per share; and 10,000,000 shares of Preferred Stock, each share with a par value of \$0.01 per share.

Authority is hereby vested in the Board of Directors to issue from time to time the preferred stock of any series and to state in the resolution or resolutions providing for the issuance of shares of Preferred Stock of any series of the voting powers, if any, designations, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions of such series to the full extent now or hereafter permitted by the law of the State of Florida in respect of matters set forth in the following clauses (a) to (h) inclusive:

- a. the number of shares to constitute such series, and the distinctive designations thereof;
- a. the voting powers, full or limited, if any of such series;
- a. the rate of dividends payable on shares of such series, the conditions on which and the times when such dividends are payable, the preference to, or the relation to, the payment of the dividends payable on any other class, classes or series of stock, whether cumulative or non-cumulative and, if cumulative, the date from which dividends on shares of such series shall be cumulative;
- a. the redemption price or prices, if any, and the terms and conditions on which shares of such series shall be redeemable;
- a. the requirement of any sinking fund or funds to be applied to the purchase or redemption of shares of such series and, if so, the amount of such fund or funds and the manner of application;
- a. the rights of shares of such series upon the liquidation, dissolution or winding up of, or upon any distribution of the assets of, the Corporation;
- a. the rights, if any, of the holders of shares of such series to convert such shares into, or to exchange such shares for, shares of any other class, classes or series of stock and the price or prices or the rates of exchange and the adjustments at which such shares shall be convertible or exchangeable, and any other terms and conditions of such conversion or exchange;

- a. any other preferences and relative, participating, optional or other special rights of shares of such series, and qualifications, limitations or restrictions including, without limitation, any restriction on an increase in the number of shares of any series theretofore authorized and any qualifications, limitations or restrictions of rights or powers to which shares of any future series shall be subject.

1,143,750 shares of Preferred Stock are hereby designated as "Series A Convertible Preferred Stock," with the preferences and rights as follows:

1. Definitions. For purposes of this resolution, the following definitions shall apply:

- (a) "Board" shall mean the Board of Directors of the Corporation.
- (b) "Common Stock" shall mean the Common Stock, \$0.01 par value per share, of the Corporation.
- (c) "Common Stock Dividend" shall mean a stock dividend declared and paid on the Common Stock that is payable in shares of Common Stock.
- (d) "Distribution" shall mean the transfer of cash or property by the Corporation to one or more of its stockholders without consideration regardless of whether such transfer is in the form of a dividend or otherwise (except a dividend in shares of Corporation's stock), but not including Permitted Repurchases (as defined below).
- (e) "Original Issue Date" shall mean the date on which the first share of Series A Preferred Stock is issued by the Corporation.
- (f) "Original Issue Price" shall mean \$.80 per share for the Series A Preferred Stock.
- (g) "Permitted Repurchases" shall mean the repurchase by the Corporation of shares of Common Stock held by employees, officers, directors, consultants, independent contractors, advisors, or other persons performing services for the Corporation or a Subsidiary (as defined below) that are subject to a stockholders agreement, restricted stock purchase agreements or stock option agreements under which the Corporation has the option to repurchase such shares: (i) at such holder's cost, upon the occurrence of certain events, such as the termination of employment or services; or (ii) at any price pursuant to the Corporation's exercise of a right of first refusal to repurchase such shares.
- (h) "Series A Preferred Stock" shall mean the Series A Convertible Preferred Stock, \$.01 par value per share, of the Corporation.
- (i) "Subsidiary" shall mean any corporation of which at least fifty percent (50%) of the outstanding voting stock is at the time owned directly or indirectly by the Corporation or by one or more of such subsidiary corporations.

2. Dividend Rights.

- (a) Participation Rights. Any dividends declared by the Board out of funds legally available therefor in any calendar year shall be declared among the

holders of the then outstanding Common Stock and the Series A Preferred Stock pro rata according to the number of shares of Common Stock held by such holders, where, for this purpose, holders of shares of Series A Preferred Stock will be deemed to hold (in lieu of their Series A Preferred Stock) the greatest whole number of shares of Common Stock then issuable upon conversion in full of such shares of Series A Preferred Stock pursuant to Section 5.

- (b) Non-Cash Dividends. Whenever a dividend provided for in this Section 2 shall be payable in property other than cash, the value of such dividend or Distribution shall be deemed to be the fair market value of such property as determined in good faith by the Board.
- (c) Payment on Conversion. If the Corporation shall have any accrued and unpaid dividends with respect to any Series A Preferred Stock, then immediately prior to, and upon a conversion of any of the Series A Preferred Stock as provided in Section 5, the Corporation shall, subject to the legal availability of funds and assets therefor, pay in cash or Common Stock (or a combination thereof) to the holder of the shares of Series A Preferred Stock being converted the full amount of any dividends accrued and unpaid on such shares. Upon any such conversion, if the Board elects to pay dividends with respect to any Series A Preferred Stock in Common Stock, the Board shall determine in good faith the total fair market value of such shares, equal to the balance of all declared but unpaid dividends not paid in cash.

3. Liquidation Rights. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the funds and assets of the Corporation that may be legally distributed to the Corporation's stockholders (the "Available Funds and Assets") shall be distributed to stockholders in the following manner:

- (a) Liquidation Preferences. The holders of each share of Series A Preferred Stock then outstanding shall be entitled to be paid, out of the Available Funds and Assets, and prior and in preference to any payment or distribution (or any setting apart of any payment or distribution) of any Available Funds and Assets on any shares of Common Stock, an amount per share equal to the Original Issue Price of the Series A Preferred Stock, plus all declared but unpaid dividends thereon (the "Initial Liquidation Preference"). If upon any liquidation, dissolution or winding up of the Corporation the Available Funds and Assets shall be insufficient to permit the payment to holders of the Series A Preferred Stock of their full preferential amounts described in this subsection, then all the remaining Available Funds and Assets shall be distributed among the holders of the then outstanding Series A Preferred Stock pro rata in proportion to the amount of stock owned by such holder.
- (b) Pro Rata Participation Rights. If there are any Available Funds and Assets remaining after the Initial Liquidation Preference described above in this Section 3, then the entire remaining Available Funds and Assets, if any, shall be distributed among the holders of the then outstanding Common Stock and the Series A Preferred Stock pro rata according to

the number of shares of Common Stock held by such holders, where, for this purpose, holders of shares of Series A Preferred Stock will be deemed to hold (in lieu of their Series A Preferred Stock) the greatest whole number of shares of Common Stock then issuable upon conversion in full of such shares of Series A Preferred Stock pursuant to Section 5. However, the holders of Series A Preferred will cease participation of distributions pursuant to this Section 3(b) once they have received a total liquidation amount per share equal to \$2.40 (i.e., three times the Initial Liquidation Preference) plus any declared but unpaid dividends.

- (c) Non-Cash Consideration. If any assets of the Corporation distributed to stockholders in connection with any liquidation, dissolution, or winding up of the Corporation are other than cash, then the value of such assets shall be their fair market value as reasonably determined by the Board in good faith, except that any securities to be distributed to stockholders in a liquidation, dissolution, or winding up of the Corporation shall be valued as follows:
 - (1) The method of valuation of securities not subject to investment letter or other similar restrictions on free marketability shall be as follows:
 - (i) if the securities are then traded on a national securities exchange or the NASDAQ National Market System (or a similar national quotation system), then the value shall be deemed to be the average of the closing prices of the securities on such exchange or system over the 30-day period ending three (3) days prior to the distribution; and
 - (ii) if actively traded over-the-counter, then the value shall be deemed to be the average of the closing bid prices over the 30-day period ending three (3) days prior to the closing of such merger, consolidation or sale; and
 - (iii) if there is no active public market, then the value shall be the fair market value thereof, as determined in good faith by the Board.
 - (2) The method of valuation of securities subject to investment letter or other restrictions on free marketability shall be to make an appropriate discount from the market value determined as above in Section 3(c)(1)(i),(ii) or (iii) to reflect the approximate fair market value thereof, as reasonably determined in good faith by the Board.

4. Voting Rights.

- (a) Common Stock. Each holder of shares of Common Stock shall be entitled to one (1) vote for each share thereof held.

- (b) Series A Preferred Stock. Each holder of shares of Series A Preferred Stock shall be entitled to the number of votes equal to the number of whole shares of Common Stock into which such shares of Series A Preferred Stock could be converted pursuant to the provisions of Section 5 below at the record date for the determination of the stockholders entitled to vote on such matters or, if no such record date is established, the date such vote is taken or any written consent of stockholders is solicited.
- (c) General. Subject to the foregoing provisions of this Section 4, each holder of Series A Preferred Stock shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled to notice of any stockholders' meeting in accordance with the bylaws of the Corporation (as in effect at the time in question) and applicable law, and shall be entitled to vote, together with the holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote, except as may otherwise be provided by applicable law. Except as otherwise expressly provided herein or as required by law, the holders of the Series A Preferred Stock and the holders of Common Stock shall vote together and not as separate classes.
- (d) Board Size. As of the original Issue Date, the authorized number of directors of the Corporation's Board shall be five (5). The Corporation shall not alter the authorized number of directors without first obtaining the written consent, or affirmative vote at a meeting, of the holders of at least a majority of the then outstanding shares of the Series A Preferred Stock, consenting or voting (as the case may be) separately as a class.
- (e) Board of Directors Election and Removal.
- (1) Election. So long as any shares of Series A Preferred Stock remain outstanding, the holders of the Series A Preferred Stock, voting as a separate class, exclusive of all other stockholders, shall be entitled to elect two (2) directors of the Corporation (the "Series A Designees"); provided that no holder of Series A Preferred Stock who is an officer or employee of the Company, or an affiliate thereof, may vote to elect the Series A Designees. The holders of the Common Stock shall be entitled to elect the remaining directors.
- (2) Special Meetings. Notwithstanding anything to the contrary contained in the Bylaws of the Corporation, (i) any Series A Designee; or (ii) the holders of at least fifty percent (50%) of the Series A Preferred Stock then outstanding, shall be entitled to call a special meeting of the Board of Directors or stockholders of the Corporation
- (f) Termination. Notwithstanding anything in Section 4 to the contrary, the provisions of Section 4(d) and Section 4(e) shall cease to be of any further force or effect upon the consummation of a Qualifying IPO (as defined in Section 5(b)(1) below).
- (g) Special Voting Rights. The Corporation shall not, without the approval, by vote or written consent, of the holders of at least a majority of the Series A Preferred Stock:

- (i) amend its Articles of Incorporation in any manner that would alter or change any of the rights, preferences, privileges or restrictions of the Series A Preferred Stock;
- (ii) reclassify any outstanding shares of its securities into shares having rights, preferences or privileges senior to or on a parity with the Series A Preferred Stock;
- (iii) authorize or issue any additional Series A Preferred Stock or any other stock having rights or preferences senior to or on a parity with the Series A Preferred Stock;
- (iv) merge or consolidate with or into any entity;
- (v) sell all or substantially all of its assets in a single transaction or series of related transactions;
- (vi) liquidate or dissolve; or
- (vii) amend the Company's Articles of Incorporation or Bylaws to alter any rights of Series A Designees or the holders of the Series A Preferred Stock or to increase the size of the Board to more than five (5) directors.

5. Conversion Rights. The outstanding shares of Series A Preferred Stock shall be convertible into Common Stock as follows:

(a) Optional Conversion.

- (1) At the option of the holder thereof, each share of Series A Preferred Stock shall be convertible, at any time or from time to time prior to the close of business on the business day before any date fixed for automatic conversion of such shares pursuant to Section 5(b), into fully paid and nonassessable shares of Common Stock as provided herein.
- (2) Each holder of Series A Preferred Stock who elects to convert the same into shares of Common Stock shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or any transfer agent for the Series A Preferred Stock or Common Stock, and shall give written notice to the Corporation at such office that such holder elects to convert the same and shall state therein the number of shares of Series A Preferred Stock being converted. Thereupon, the Corporation shall promptly issue and deliver at such office to such holder a certificate or certificates for the number of shares of Common Stock to which such holder is entitled upon such conversion. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the certificate or certificates representing the shares of Series A Preferred Stock to be converted, and the person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated

for all purposes as the record holder of such shares of Common Stock on such date.

(b) Automatic Conversion.

(1) Each share of Series A Preferred Stock shall automatically be converted into fully paid and nonassessable shares of Common Stock, as provided herein, (i) immediately prior to the closing of a firmly underwritten public offering pursuant to an effective registration statement filed under the Securities Act of 1933, as amended, covering the offer and sale of Common Stock for the account of the Corporation in which the aggregate gross proceeds received (before deduction of underwriters' discounts and commissions) equals or exceeds \$15 million at a price of not less than \$4.00 per share (a "Qualifying IPO"); or (ii) upon the Corporation's receipt of the written consent of the holders of not less than a majority of the then outstanding shares of Series A Preferred Stock (excluding shares held by officers or employees of the Corporation and their affiliates), to the conversion of all then outstanding Series A Preferred Stock

(2) Upon the occurrence of any event specified in Section 5(b)(1) above, the outstanding shares of Series A Preferred Stock shall be converted into Common Stock automatically without the need for any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; provided, however, that the Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such conversion unless the certificates evidencing such shares of Series A Preferred Stock are either delivered to the Corporation or its transfer agent as provided below, or the holder notifies the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Series A Preferred Stock, the holders of Series A Preferred Stock shall surrender the certificates representing such shares at the office of the Corporation or any transfer agent for the Series A Preferred Stock or Common Stock. Thereupon, there shall be issued and delivered to such holder promptly at such office and in its name as shown on such surrendered certificate or certificates, a certificate or certificates for the number of shares of Common Stock into which the shares of Series A Preferred Stock surrendered were convertible on the date on which such automatic conversion occurred.

(c) Conversion Price. Each share of Series A Preferred Stock shall be convertible in accordance with Section 5(a) or Section 5(b) above into the number of shares of Common Stock which results from dividing the Original Issue

Price for such share of Series A Preferred Stock by the conversion price for such series of Preferred Stock that is in effect at the time of conversion (the "Conversion Price"). The initial Conversion Price for the Series A Preferred Stock shall be the Original Issue Price for the Series A Preferred Stock. The Conversion Price shall be subject to adjustment from time to time as provided below.

- (d) Adjustment Upon Common Stock Event. Upon the happening of a Common Stock Event (as hereinafter defined), the Conversion Price of the Series A Preferred Stock shall, simultaneously with the happening of such Common Stock Event, be adjusted by multiplying the Conversion Price of the Series A Preferred Stock in effect immediately prior to such Common Stock Event by a fraction, (i) the numerator of which shall be the number of shares of Common Stock issued and outstanding immediately prior to such Common Stock Event, and (ii) the denominator of which shall be the number of shares of Common Stock issued and outstanding immediately after such Common Stock Event, and the product so obtained shall thereafter be the Conversion Price for the Series A Preferred Stock. The Conversion Price for a series of Preferred Stock shall be readjusted in the same manner upon the happening of each subsequent Common Stock Event. As used herein, the term "Common Stock Event" shall mean (i) the issue by the Corporation of additional shares of Common Stock as a dividend or other distribution on outstanding Common Stock, (ii) a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock, or (iii) a combination of the outstanding shares of Common Stock into a smaller number of shares of Common Stock.
- (e) Adjustments for Other Dividends and Distributions. If at any time or from time to time after the Original Issue Date the Corporation pays a dividend or makes another distribution to the holders of the Common Stock payable in securities of the Corporation other than shares of Common Stock, then in each such event provision shall be made so that the holders of the Series A Preferred Stock shall receive upon conversion thereof, in addition to the number of shares of Common Stock receivable upon conversion thereof, the amount of securities of the Corporation which they would have received had their Series A Preferred Stock been converted into Common Stock on the date of such event (or such record date, as applicable) and had they thereafter, during the period from the date of such event (or such record date, as applicable) to and including the conversion date, retained such securities receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Section 5 with respect to the rights of the holders of the Series A Preferred Stock or with respect to such other securities by their terms.
- (f) Adjustment for Reclassification, Exchange and Substitution. If at any time or from time to time after the Original Issue Date the Common Stock issuable upon the conversion of the Series A Preferred Stock is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification or otherwise (other than by a Common Stock Event or a stock dividend, reorganization,

merger, consolidation or sale of assets provided for elsewhere in this Section 5), then in any such event each holder of Series A Preferred Stock shall have the right thereafter to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change by holders of the number of shares of Common Stock into which such shares of Series A Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

(g) Sale of Shares Below Conversion Price.

- (1) Adjustment Formula. If at any time or from time to time after the Original Issue Date the Corporation issues or sells, or is deemed by the provisions of this Section 5(g) to have issued or sold, Additional Shares of Common Stock (as hereinafter defined), otherwise than in connection with a Common Stock Event as provided in Section 5(d), a dividend or distribution as provided in Section (e) or a recapitalization, reclassification or other change as provided in Section 5(f), for an Effective Price (as hereinafter defined) that is less than the Conversion Price for the Series A Preferred Stock in effect immediately prior to such issue or sale, then, and in each such case, the Conversion Price for the Series A Preferred Stock shall be reduced, as of the close of business on the date of such issue or sale, to a new Conversion Price determined pursuant to the following formula:

$$ACP = \frac{(CS/O \times CP) + AC}{CS/O + CS/I}$$

ACP = Adjusted Conversion Price.

CS/O = Number of shares of Common Stock outstanding immediately prior to the issuance of Additional Shares of Common Stock.

CP = Conversion Price in effect immediately prior to the issuance of Additional Shares of Common Stock.

AC = Aggregate Consideration Received (as defined below) from the issuance of Additional Shares of Common Stock.

CS/I = Number of shares of Common Stock outstanding and deemed outstanding immediately following the issuance of Additional Shares of Common Stock.

- (2) Certain Definitions. For the purpose of making any adjustment required under this Section 5(g):

- (i) "Additional Shares of Common Stock" shall mean all shares of Common Stock issued by the Corporation, whether or not subsequently reacquired or retired by the Corporation, other than: (A) shares of Common Stock issued or issuable upon conversion of Series A Preferred Stock; and (B) up to one million (1,000,000) shares of Common Stock (or options, warrants or rights therefor) issued to officers, employees, contractors, consultants or advisers to the Corporation under its stock option plan (such number of shares to be calculated net of any repurchases of such shares by the Corporation and net of any such expired or terminated options, warrants or rights and to be proportionally adjusted to reflect any subsequent Common Stock Event); (ii) up to one million (1,000,000) shares of non-voting Common Stock, or warrants therefore, issued to participants in the Company's loyalty program network, and (iii) shares issued in strategic transactions or in equity incentive agreements with service providers).
- (ii) "Aggregate Consideration Received" by the Corporation for any issue or sale (or deemed issue or sale) of securities shall (A) to the extent it consists of cash, be computed at the gross amount of cash received by the Corporation before deduction of any underwriting or similar commissions, compensation or concessions paid or allowed by the Corporation in connection with such issue or sale and without deduction of any expenses payable by the Corporation; (B) to the extent it consists of property other than cash, be computed at the fair value of that property as determined in good faith by the Board (with the consent of at least one Series A Designee, which shall not be unreasonably withheld); and (C) if Additional Shares of Common Stock, Convertible Securities or Rights or Options to purchase either Additional Shares of Common Stock or Convertible Securities are issued or sold together with other stock or securities or other assets of the Corporation for a consideration which covers both, be computed as the portion of the consideration so received that may be reasonably determined in good faith by the Board to be allocable to such Additional Shares of Common Stock, Convertible Securities or Rights or Options.
- (iii) "Convertible Securities" shall mean stock or other securities convertible into or exchangeable for shares of Common Stock.
- (iv) "Effective Price" of Additional Shares of Common Stock shall mean the quotient determined by dividing the total number of Additional Shares of Common Stock issued or sold, or deemed to have been issued or sold,

by the Corporation under this Section 5(g), into the Aggregate Consideration Received, or deemed to have been received, by the Corporation under this Section 5(g), for the issue of such Additional Shares of Common Stock; and

- (v) "Rights or Options" shall mean warrants, options or other rights to purchase or acquire shares of Common Stock or Convertible Securities.

- (3) Deemed Issuances. For the purpose of making any adjustment to the Conversion Price of the Series A Preferred Stock required under this Section 5(g), if the Corporation issues or sells any Rights or Options or Convertible Securities and if the Effective Price of the shares of Common Stock issuable upon exercise of such Rights or Options and/or the conversion or exchange of Convertible Securities (computed without reference to any additional or similar protective or antidilution clauses) is less than the Conversion Price then in effect for the Series A Preferred Stock, then the Corporation shall be deemed to have issued, at the time of the issuance of such Rights, Options or Convertible Securities, that number of Additional Shares of Common Stock that is equal to the maximum number of shares of Common Stock issuable upon exercise or conversion of such Rights, Options or Convertible Securities upon their issuance and to have received, as the Aggregate Consideration Received for the issuance of such shares, an amount equal to the total amount of the consideration, if any, received by the Corporation for the issuance of such Rights or Options or Convertible Securities, plus, in the case of such Rights or Options, the minimum amounts of consideration, if any, payable to the Corporation upon the exercise in full of such Rights or Options, plus, in the case of Convertible Securities, the minimum amounts of consideration, if any, payable to the Corporation (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities) upon the conversion or exchange thereof; provided that:

- (i) if the minimum amounts of such consideration cannot be ascertained, but are a function of antidilution or similar protective clauses, then the Corporation shall be deemed to have received the minimum amounts of consideration without reference to such clauses;
- (ii) if the minimum amount of consideration payable to the Corporation upon the exercise of Rights or Options or the conversion or exchange of Convertible Securities is reduced over time or upon the occurrence or non-occurrence of specified events other than by reason of antidilution or similar protective adjustments, then the Effective Price shall

be recalculated using the figure to which such minimum amount of consideration is reduced; and

- (iii) if the minimum amount of consideration payable to the Corporation upon the exercise of such Rights or Options or the conversion or exchange of Convertible Securities is subsequently increased, then the Effective Price shall again be recalculated using the increased minimum amount of consideration payable to the Corporation upon the exercise of such Rights or Options or the conversion or exchange of such Convertible Securities.

No further adjustment of the Conversion Price, adjusted upon the issuance of such Rights or Options or Convertible Securities, shall be made as a result of the actual issuance of shares of Common Stock on the exercise of any such Rights or Options or the conversion or exchange of any such Convertible Securities. If any such Rights or Options or the conversion rights represented by any such Convertible Securities shall expire without having been fully exercised, then the Conversion Price as adjusted upon the issuance of such Rights or Options or Convertible Securities shall be readjusted to the Conversion Price which would have been in effect had an adjustment been made on the basis that the only shares of Common Stock so issued were the shares of Common Stock, if any, that there actually issued or sold on the exercise of such Rights or Options or rights of conversion or exchange of such Convertible Securities, and such shares of Common Stock, if any, were issued or sold for the consideration actually received by the Corporation upon such exercise, plus the consideration, if any, actually received by the Corporation for the granting of all such Rights or Options, whether or not exercised, plus the consideration received for issuing or selling all such Convertible Securities actually converted or exchanged, plus the consideration, if any, actually received by the Corporation (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities) on the conversion or exchange of such Convertible Securities, provided that such readjustment shall not apply to prior conversions of Preferred Stock.

- (h) Certificate of Adjustment. In each case of an adjustment or readjustment of the Conversion Price for the Series A Preferred Stock, the Corporation, at its expense, shall cause its Chief Financial Officer to compute such adjustment or readjustment in accordance with the provisions hereof and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to each registered holder of the Series A Preferred Stock at the holder's address as shown in the Corporation's books.
- (i) Fractional Shares. No fractional shares of Common Stock shall be issued upon any conversion of the Series A Preferred Stock. In lieu of any fractional share to which the holder would otherwise be entitled, the Corporation shall pay the holder cash equal to the product of such fraction

multiplied by the Common Stock's fair market value as determined in good faith by the Board as of the date of conversion.

- (j) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series A Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.
 - (k) Notices. Any notice required by the provisions of this Section 5 to be given to the holders of shares of the Series A Preferred Stock shall be deemed given upon the earlier of actual receipt or deposit in the United States mail, by certified or registered mail, return receipt requested, postage prepaid, addressed to each holder of record at the address of such holder appearing on the books of the Corporation.
 - (l) No Impairment. The Corporation shall not avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but shall at all times in good faith assist in carrying out all such action as may be reasonably necessary or appropriate in order to protect the conversion rights of the holders of the Series A Preferred Stock against impairment.
6. Adjustments for Stock Splits, Etc. Wherever in this Certificate there is a reference to a specific number of shares of Common Stock or Series A Preferred Stock of the Corporation of any class or series, then, upon the occurrence of any subdivision, combination or stock dividend of such class or series of stock, the specific number of shares so referenced in this Certificate shall automatically be proportionally adjusted to reflect the effect on the outstanding shares of such class or series of stock by such subdivision, combination or stock dividend.
7. No Reissuance of Preferred Stock.
