To whom it may concern,

This letter is in regards to Delizioso Inc.'s 2001 Uniform Business Report. As I stated in two of my phone calls to the Department Of State, we did not receive a report in January of 2001. The report was sent in before September 12, 2001 with a check in the amount of \$150.00. Since then we received a letter giving us 30 days to return the report with a fee of \$400.00 due. Six days following the letter, we recieved a notice of administrative dissolution of the corporation.

I have been in business in Florida for two years now. Both years, we did not receive a report before the due date. Therefore, I am asking the late fees be removed. The corporation is in good standing with all taxes due and payments have been made timely. In the future, I will have to be more alert to the fact that these reports may not reach me in time to submit a timely payment.

Thank you,

Lou Taliercio President
