Re: P99000072342

Dear Sir or Madam,

We have received your correspondence regarding our Uniform Business Report filed this year. Unfortunately we did file our report late and do apologize for this error. As soon as we discovered that the report had not been done by the May 1st deadline, we called your office. We were advised by a gentleman in your department that it would be sufficient to send the \$150.00 filing fee, as the reports were still being processed, if we sent the report right away. We did so and that was on June 18, 2001.

Now we are advised that this is not so and we do hope that you will stand by your employee's statement.

I am the bookkeeper for Signs On Time and it was my responsibility to see that the report was sent to you in a timely manner. However, I have many clients and I thought that I had taken care of this issue with all of them. Somehow the report for Signs on Time was overlooked. As this is not my client's mistake but mine, I will be responsible for the extra filing fee. It would be greatly appreciated if you could waive the fee for us, as we had been advised on June 18th that we would not be fined the additional \$400.00.

Thank you in advance for considering this request.

With best regards,  
SIGNS ON TIME, Inc.
