To whom this may concern.

Over the past three months my family have been out of town and out of the country on a business / family trip to South America. During this time my 2 ½ year old daughter took ill with Shagella, a virus that attacks the immune system. Because of the critical need for care, this extended our stay away from home in Albina Patino Hospital de Pediatricas in Cochabamba, Bolivia as well as Miami Children's Hospital on our return into the country.

I hope that you would reconsider the late fee due to be paid to your office. Just recently have we been able to put our lives back in order. Thankfully, with a fully recovered child. Please accept this payment, even though late, and please take into account our circumstance. Thank you.

Sincerely,

Mark Joseph Peredo
