To Whom It Concerns:

I just received my 2003 Uniform Business Report in the mail and I noticed that the amount due seemed much higher than it was the past 3 years that I have been filing the reports. When I looked back into my file at previous reports filed I realized that I am being charged a late fee. I should not owe any late fee because I never received any other form or request for payment in 2003 until I received this form. I am enclosing the fee of \$150.00 that it should have been if I had received the form at the correct time of the year. If you look at my past payment history, you will see that I have paid on time every year that I have received the request at the proper time. Thank you for your time and effort to get this situation corrected.

Sincerely,

Tracey Lago

This letter was attached with my check and Uniform Business Report when I mailed it July 17, 2003. I just spoke to Ruby Dunlap and she told me to send a copy of the letter in order to get the \$400 late fee removed. Thank you,
Tracey Lago
