This letter is per your request asking for an explanation why filing is late.  
Either I never received my forms this year or they were misplaced, probably  
the later. Then about 6 weeks ago I lost several weeks of data in computer  
including backup. This has left me scrambling and am just now catching up  
on loose ends, one of which I just realized today that Corporation documents  
had not been filed. Any leniency would be much appreciated, as this has  
been a very difficult year already.

Thank you,

A handwritten signature in black ink, appearing to read "Thomas M. Mayo", written in a cursive style.

Thomas M. Mayo
