To whom it may concern

I received my uniform business report invoice. When I opened it up, I was in complete shock to see that it was \$550. I have always paid my filing fee of \$150. This is the first invoice that I have seen. I have never received any prior invoices.

All I saw on my invoice, was file before September 10th 2003. I was going to pay it online when I found the amount was \$550.

If I would've known for one second that it was late, I would have paid it immediately.

There is no way I can afford the \$550 fee. Please except this \$150 payment as it is all I have.

I apologize for any inconvenience this may have caused you, and I will never let this happen again.

Thank you for the consideration in this matter. If you have any questions, please contact me your earliest convenience.

Sincerely,

James McDowell
