**RESTATED ARTICLES OF AMENDMENT OF  
ARTICLES OF INCORPORATION OF  
iWIDGETS, INC.**

Pursuant to the provisions of Section 607.0602 of the Florida 1989 Business Corporation Act, iWidgets, Inc., a corporation organized under and by virtue of the laws of the State of Florida (the "Company") hereby adopts this 26th day of April 2000 the following Restated Articles of Amendment to the Company's Articles of Incorporation restating and replacing in its entirety the Restated Articles of Amendment to the Company's Articles of Incorporation filed on February 16, 2000.

**I.**

The name of the Corporation is iWidgets, Inc.

**II.**

Article IV of the Articles of Incorporation is hereby amended to add the following text in addition to the language currently set forth in Article IV:

"15,000,000 of the Preferred Shares shall be designated Series A Preferred Stock, and shall have the following rights, preferences, privileges and restrictions:

**1. Dividends.**

Subject to the rights of any other series of Preferred Stock which may from time to time come into existence, in the event that any dividends are declared on the Common Stock by the Board of Directors of the Corporation in its sole discretion, the holders of shares of the Series A Preferred Stock shall be entitled to receive, out of the assets of the Corporation legally available therefor and as and when declared by the Board of Directors of the Corporation, noncumulative dividends at the rate per share equal to that paid on the number of shares of Common Stock issuable upon conversion of the shares of Series A Preferred Stock, *provided that* such rate per share shall be at least equal to a rate of 9% per annum on the Original Issue Price (as defined below) of each share of Series A Preferred Stock for the period covered by any such Common Stock dividend. Such dividends shall be payable to the holders of record as they appear on the stock books of the Corporation on such record dates, not more than 50 days nor less than 10 days preceding the payment date(s), as shall be fixed by the Board of Directors of the Corporation in its sole discretion.

**2. Liquidation Preference.**

(a) In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or surplus funds of the

Corporation to the holders of the Common Stock by reason of their ownership thereof, a preference amount per share consisting of \$.60 for each outstanding share of Series A Preferred Stock (the "Original Issue Price") plus any declared but unpaid dividends. If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed among such holders in proportion to the full preferential amount each such holder is otherwise entitled to receive.

(b) After payment to the holders of the Series A Preferred Stock of the amount set forth in subparagraph (a), the entire remaining assets and funds of the Corporation legally available for distribution, if any, shall be distributed among the holders of the Common Stock and Series A Preferred Stock pro rata based on the number of shares of Common Stock held by them determined as if all shares of Series A Preferred Stock had been converted immediately prior to such time of distribution.

(c) For purposes of this Section 2, a liquidation, dissolution or winding up of this Company shall, subject to the option set forth in Section 4(i), be deemed to occur upon (i) the acquisition of the Corporation by another entity by means of any transaction or series of related transactions (including, without limitation, any reorganization, merger or consolidation but, excluding any merger effected exclusively for the purpose of changing the domicile of the Corporation), or (ii) a sale of all or substantially all of the assets of the Corporation; in both cases unless the Corporation's shareholders of record as constituted immediately prior to such acquisition or sale will, immediately after such acquisition or sale (by virtue of securities issued as consideration for the Corporation's acquisition or sale or otherwise) hold at least 50% of the voting power of the surviving or acquiring entity. In any of such events, if the consideration received by the Corporation received is other than cash, its value will be deemed its fair market value, as determined by the Board of Directors.

### 3. Voting Rights.

Except as otherwise expressly provided herein or as required by law, the holder of each share of the Series A Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which such share of Series A Preferred Stock could be converted and shall have voting rights and powers equal to the voting rights and powers of the Common Stock (except as otherwise expressly provided herein or as required by law, voting together with the Common Stock as a single class) and shall be entitled to notice of any shareholders' meeting in accordance with the Bylaws of the Corporation. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of Series A Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

4. **Conversion.** The holders of the Series A Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) **Right to Convert.** Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the original date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Original Issue

H00000020105

Price plus any declared but unpaid dividends by the then applicable Conversion Price (as defined below) in effect on the date the certificate is surrendered for conversion. The initial conversion price per share for the Series A Preferred Stock (the "Initial Conversion Price") shall be the Original Issue Price. The conversion price (the "Conversion Price") shall be the Initial Conversion Price as shall be adjusted from time to time as hereinafter provided.

(b) **Automatic Conversion.** Each share of Series A Preferred Stock shall automatically convert into shares of Common Stock at the then effective Conversion Price as provided in Section 4(a) above, (i) immediately upon the closing of a public offering of the Corporation's Common Stock with aggregate proceeds of at least \$10,000,000 (before deduction of underwriting discounts) at a valuation of the Corporation of at least \$50,000,000, or (ii) at the election of the holders of at least a two-third majority of the Series A Preferred Stock.

(c) **Mechanics of Conversion.** Before any holder of Series A Preferred Stock shall be entitled to convert the same into shares of Common Stock, such holder shall surrender the certificate or certificates thereof, duly endorsed, at the office of the Corporation or of any transfer agent for such stock, and shall give written notice to the Corporation at such office that it elects to convert the same and shall state therein the name or names in which it wishes the certificate or certificates for shares of Common Stock to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder a certificate or certificates for the number of shares of Common Stock to which it shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of surrender of the shares of Series A Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date.

(d) **Conversion Price Adjustments for Certain Dilutive Issuances at Price Below Conversion Price**

(i) At any time after the original date of issuance of the Series A Preferred Stock, the Conversion Price then in effect shall be subject to adjustment from time to time pursuant to this Section 4(d) in order to prevent dilution of the Conversion Rights.

(ii) If at any time after the original date of issuance of the Series A Preferred Stock, the Corporation issues or sells, or in accordance with Section 4(e) is deemed to have issued or sold, any share of Common Stock (except as provided by Section 4(d)(iii) below) for consideration per share less than the Conversion Price in effect immediately prior to such time, then immediately upon such issuance or sale or deemed issuance or sale the Conversion Price shall be reduced to the Conversion Price determined by dividing (a) the sum of (1) the product derived by multiplying the Conversion Price in effect immediately prior to such issue or sale by the number of shares of Common Stock Deemed Outstanding immediately prior to such issue or sale, plus (2) the consideration, if any, received by the Corporation upon such issue or sale, by (b) the number of shares of Common Stock Deemed Outstanding (defined in Section 4(d)(iv) below) immediately after such issue or sale.

(iii) Notwithstanding the foregoing, there shall be no adjustment to the Conversion Price hereunder with respect to the granting of stock options to employees, directors, consultants or other service providers of the Corporation and its subsidiaries or the exercise thereof (as such number of shares is equitably adjusted for subsequent stock splits, stock combinations, stock

H00000020105

H00000020105

dividends and recapitalizations and such number shall include all stock options outstanding as of April 26, 2000).

(iv) For the purposes of this Section 4, "Deemed Outstanding" means, at any given time, the number of shares of Common Stock actually outstanding at such time, plus the number of shares of Common Stock deemed to be outstanding pursuant to Sections 4(e)(i) and 4(e)(ii) below whether or not the Exercisable Securities or Convertible Securities (as defined therein) are actually exercisable at such time, but excluding any shares of Common Stock issuable upon conversion of the Series A Preferred Stock.

**(e) Conversion Price Adjustments for Certain Dilutive Issuances of Convertible or Exercisable Securities.**

For purposes of determining the adjusted Conversion Price under Section 4(d) above, the following shall be applicable:

(i) Issuance of Options, Warrants or Other Rights. If the Corporation in any manner grants or sells any options, warrants or other rights to purchase Common Stock (collectively, "Exercisable Securities") and the "price per share for which the Common Stock is issuable" upon the exercise of such Exercisable Securities (or upon conversion or exchange of any Convertible Securities, as defined in Section 4(e)(ii) below, issuable upon exercise of such Exercisable Securities) is less than the Conversion Price in effect immediately prior to the time of the granting or sale of such Exercisable Securities, then the total maximum number of shares of Common Stock issuable upon the exercise of such Exercisable Securities (or upon conversion or exchange of the total maximum amount of such Convertible Securities issuable upon the exercise of such Exercisable Securities) shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the granting or sale of such Exercisable Securities for such price per share.

For purposes of this Section 4(e)(i), the "price per share for which the Common Stock is issuable" shall be determined by dividing (A) the total amount, if any, received or receivable by the Corporation as consideration for the granting or sale of such Exercisable Securities, plus the minimum aggregate amount of additional consideration payable to the Corporation upon exercise of all such Exercisable Securities, plus in the case of such Exercisable Securities which relate to Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the issuance or sale of such Convertible Securities and the conversion or exchange thereof, by (B) the total maximum number of shares of Common Stock issuable upon the exercise of such Exercisable Securities or upon the conversion or exchange of all such Convertible Securities issuable upon the exercise of such Exercisable Securities. No further adjustment of the Conversion Price shall be made when Convertible Securities are actually issued upon the exercise of such Exercisable Securities or when Common Stock is actually issued upon the exercise of such Exercisable Securities or the conversion or exchange of such Convertible Securities.

(ii) Issuance of Convertible Securities. If the Corporation in any manner issues or sells any stock or securities directly or indirectly convertible into or exchangeable for Common Stock other than the Series A Preferred Stock ("Convertible Securities") and the "price per share for which the Common Stock is issuable" upon conversion or exchange thereof is less than the Conversion Price in effect immediately prior to the time of such issue or sale, then the maximum number of shares of Common Stock issuable upon conversion or exchange of such Convertible

H00000020105

H00000020105

Securities shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the issuance or sale of such Convertible Securities for such price per share.

For the purposes of this Section 4(e)(ii), the "price per share for which the Common Stock is issuable" shall be determined by dividing (A) the total amount received or receivable by the Corporation as consideration for the issue or sale of such Convertible Securities, plus the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the conversion or exchange thereof, by (B) the total maximum number of shares of Common Stock issuable upon the conversion or exchange of all such Convertible Securities. No further adjustment of the Conversion Price shall be made when Common Stock is actually issued upon the conversion or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Exercisable Securities for which adjustments of the Conversion Price had been or are to be made pursuant to other provisions of this Section, no further adjustment of the Conversion Price shall be made by reason of such issue or sale.

(iii) Change in Price of Exercisable Securities or Conversion Rate. If (a) the purchase price provided for in any Exercisable Securities, (b) the additional consideration, if any, payable upon the conversion or exchange of any Convertible Securities or (c) the rate at which any Convertible Securities are convertible into or exchangeable for Common Stock changes at any time, (other than under or by reason of provisions designed to protect against dilution of the type set forth in this Section 4) then the Conversion Price in effect at the time of such change shall be immediately adjusted to be that Conversion Price which would have been in effect at such time had such Exercisable Securities or Convertible Securities still outstanding provided for such changed purchase price, additional consideration or conversion rate, as the case may be, at the time initially granted, issued or sold; *provided that* if such adjustment would result in an increase of the Conversion Price then in effect, no such adjustment shall be made. For purposes of this Section 4(e)(iii), if the terms of any Exercisable Security or Convertible Security which was outstanding as of the date of issuance of the Convertible Preferred are changed in the manner described in the immediately preceding sentence, then such Exercisable Security or Convertible Security and the Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such change; *provided that* no such change shall at any time cause the Conversion Price hereunder to be increased.

(iv) Treatment of Expired Exercisable Securities and Unexercised Convertible Securities. Upon the expiration of any Exercisable Securities or the termination of any right to convert or exchange any Convertible Security without the exercise of any such Exercisable Securities, the Conversion Price then in effect hereunder shall be adjusted immediately to the Conversion Price which would have been in effect at the time of such expiration or termination had such Exercisable Securities or Convertible Security, to the extent outstanding immediately prior to such expiration or termination, never been issued; *provided that* if such expiration or termination would result in an increase in the Conversion Price then in effect then no such adjustment shall be made.

(v) Calculation of Consideration Received. If any Common Stock, Exercisable Securities or Convertible Security is issued or sold or deemed to have been issued or sold for cash, the consideration received therefor shall be deemed to be the amount received by the Corporation therefor (net of discounts, commissions and related expenses). If any Common Stock, Exercisable Securities or Convertible Security is issued or sold for a consideration other than cash, the amount of the consideration other than cash received by the Corporation shall be the fair value of

H00000020105

H00000020105

such consideration, except where such consideration consists of securities, in which case the amount of consideration received by the Corporation shall be the market price thereof as of the date of receipt. If any Common Stock, Exercisable Securities or Convertible Security is issued to the owners of the non-surviving entity in connection with any merger in which the Corporation is the surviving corporation, the amount of consideration therefor shall be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Stock, Exercisable Securities or Convertible Security, as the case may be. The fair value of any consideration other than cash and securities shall be determined jointly by the Corporation and the holders of a majority of the outstanding Convertible Preferred. If such parties are unable to reach agreement within a reasonable period of time, the fair value of such consideration shall be determined by an independent appraiser experienced in valuing such type of consideration jointly selected by the Corporation and the holders of a majority of the outstanding Convertible Preferred. The determination of such appraiser shall be final and binding upon the parties, and the fees and expenses of such appraiser shall be borne by the Corporation.

(vi) Integrated Transactions. In case any Exercisable Securities is issued in connection with the issue or sale of other securities of the Corporation, together comprising one integrated transaction in which no specific consideration is allocated to such Exercisable Securities by the parties thereto, the Exercisable Securities shall be deemed to have been issued for a consideration of \$.01.

(vii) Treasury Shares. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Corporation or any subsidiary, and the disposition of any shares so owned or held shall be considered an issue or sale of Common Stock.

(viii) Record Date. If the Corporation takes a record of the holders of Common Stock for the purpose of entitling them (a) to receive a dividend or other distribution payable in Common Stock, Exercisable Securities or in Convertible Securities or (b) to subscribe for or purchase Common Stock, Exercisable Securities or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or upon the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(f) Conversion Price Adjustments of Preferred Stock for Certain Dilutive Stock Splits and Stock Dividends and Stock Combinations.

(i) In the event the Corporation should at any time or from time to time after the original date of purchase fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (hereinafter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series

H00000020105

H00000020105

shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents.

(ii) If the number of shares of Common Stock outstanding at any time after the original date of purchase of Series A Preferred Stock is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for the Series A Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(g) **Other Distributions.** In the event this Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by this Corporation or other persons or assets (excluding cash dividends), then, in each such case for purposes of this subsection 4(g), the holders of Series A Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Series A Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(h) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or Section 2), provision shall be made so that the holders of Series A Preferred Stock shall thereafter be entitled to receive upon conversion of such Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of Series A Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of Series A Preferred Stock) shall be applicable after that event as nearly equivalent as may be practicable.

(i) **Capital Reorganization, Merger or Sale of Assets.** If at any time or from time to time there shall be a capital reorganization of the Common Stock (other than a subdivision, combination, reclassification or exchange of shares provided for elsewhere in this Section 4) or a merger or consolidation of the Corporation with or into another corporation, or the sale of all or substantially all of the Corporation's properties and assets to any other person, then, as a part of such reorganization, merger, consolidation or sale, provision shall be made so that the holders of the Series A Preferred Stock shall thereafter be entitled to receive upon conversion of the Series A Preferred Stock, the number of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger, consolidation or sale, to which a holder of Common Stock issuable upon conversion would have been entitled on such capital reorganization, merger, consolidation, or sale or an amount of cash receivable as if the Series A Preferred Stock had converted into shares of Common Stock. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of the Series A Preferred Stock after the reorganization, merger, consolidation or sale to the end that the provisions of this Section 4 shall be applicable after that event in as nearly equivalent a manner as may be practicable.

H00000020105

Each holder of Series A Preferred Stock upon the occurrence of a capital reorganization, merger or consolidation of the Corporation, or the sale of all or substantially all its assets and properties as such events are more fully set forth in the first paragraph of this Section 4(i), shall have the option of electing treatment of his shares of Series A Preferred Stock under either (x) this Section 4(i) or, (y) Section 2(c) as a liquidation, by giving the Corporation written notice of such election at least ten days prior to the close of such transaction unless such holders received notice of transaction less than 20 days prior to the close of such transaction, then the notice of election shall be 10 days after such notice.

(j) **No Impairment.** The Corporation will not, by amendment of this Statement of Designation or its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred Stock against impairment.

(k) **Certificates as to Adjustments.** Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Series A Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Series A Preferred Stock furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of Series A Preferred Stock.

(l) **Notices of Record Date.** In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any security or right convertible into or entitling the holder thereof to receive or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Series A Preferred Stock at least twenty (20) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution, security or right, and the amount and character of such dividend, distribution, security or right.

(m) **Issue Taxes.** The Corporation shall pay any and all issue and other taxes that may be payable in respect of any issue or delivery of shares of Common Stock on conversion of shares of Series A Preferred Stock pursuant hereto; *provided, however,* that the Corporation shall not be obligated to pay any transfer taxes resulting from any transfer requested by any holder in connection with any such conversion.

(n) **Reservation of Stock Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the

H00000020105

conversion of all outstanding shares of the Series A Preferred Stock and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to these Articles of Incorporation.

(o) **Fractional Shares.** No fractional share shall be issued upon the conversion of any share or shares of Series A Preferred Stock. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one share of Series A Preferred Stock by a holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of any fractional share. If, after the aforementioned aggregation, the conversion would result in the issuance of a fraction of a share of Common Stock, the Corporation shall, in lieu of issuing any fractional share, pay the holder otherwise entitled to such fraction a sum in cash equal to the fair market value of such fraction on the date of conversion (as determined in good faith by the Board of Directors of the Corporation).

(p) **Notices.** Any notice required by the provisions of this Section 4 to be given to the holders of shares of Series A Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.

5. **Amendment.** Any term relating to the Series A Preferred Stock may be amended and the observance of any term relating to the Series A Preferred Stock may be waived (either generally or in a particular instance) only with the vote or written consent of holders of more than fifty percent (50%) of the outstanding shares of the Series A Preferred Stock. Any amendment so effected shall be binding upon the Corporation and any holder of the Series A Preferred Stock.

6. **No Reissuances of Series A Preferred Stock.** No share or shares of Series A Preferred Stock acquired by the Corporation by reason of redemption, purchase, conversion or otherwise shall be reissued, and all such shares shall be returned to the status of undesignated shares of Preferred Stock.

7. **Protective Provisions.** Subject to the rights of series of Preferred Stock which may from time to time come into existence, so long as any shares of Series A Preferred Stock are outstanding, the Corporation shall not without first obtaining the approval (by vote or written consent, as provided by law) of the holders of at least a majority of the then outstanding shares of Series A Preferred Stock:

(a) increase or decrease (other than by conversion) the total number of authorized shares of Series A Preferred Stock;

(b) authorize or issue, or obligate itself to issue, any other equity security, including any other security convertible into or exercisable for any equity security having a preference over, or being on a parity with, the Series A Preferred Stock with respect to voting, dividends or upon liquidation;

H00000020105

H00000020105

(c) alter, change or amend any of the rights, preferences or privileges or limitations provided herein for the benefit of the Series A Preferred Stock.

**III.**

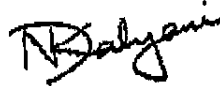

The foregoing amendment was duly adopted by the Board of Directors of the Corporation on April 26, 2000.

**IV.**

Pursuant to Section 607.0602, the foregoing amendment was duly adopted by the Board of Directors of the Corporation as of this 26th day of April, 2000 without shareholder action, as shareholder action is not required since no share of Series A Preferred Stock has ever been issued by the Corporation prior to the date hereof either pursuant to the Corporation's Articles of Amendment filed on February 16, 2000 or these Restated Articles of Amendment.

IN WITNESS WHEREOF, the undersigned hereby certifies that the Board of Directors of iWidgets, Inc. duly adopted these Restated Articles of Amendment of Articles of Incorporation as of this 26th day of April, 2000.
