To Whom It May Concern:

No such document was ever received at our address to any of our knowledge. I would ask you to reconsider because we are not able to easily afford a \$600.00 penalty at this time.

I had sent a letter previously with regard to this matter stating that we did not receive notice of requirement to file. I was rather distracted when I mailed in the \$150.00 check because having to pay the penalty seriously impacts our business in a negative way; so I forgot to put the letter with the check and a day later mailed it upon discovery with a copy of the dissolution document from your office. At the DugOut we work hard to provide a positive environment for young people to learn and grow through baseball. If we had known about the requirement to file we certainly would have done so. This is a slow time for us so stretching the budget to stay open another month becomes a serious matter. I implore you to reconsider, because as stated earlier we did not receive notice of requirement to file at our address. That is the plain, simple truth.

Thank you,

Kevin Puskar
