STATEMENT OF FACT

On 02/13/23, someone amended our annual report without our knowledge nor consent. This person then proceeded to open up bank accounts at various banks and stole/re-routed incoming checks and deposited them in the newly opened account(s).

When we realized what had happened, we amended the annual report on 02/23/23. By then, the damage had been done. We have reported this to the State of Florida, Division of Corporations, our attorney, the US Postal Service, the City of Doral Police, the Secret Service, and the Miami-Dade Police.
