Dear Katherine Harris, Secretary of State;

I am writing to you concerning paperwork that I recently received, titled "2000 Uniform Business Report". I was somewhat perplexed to read that it was the "SECOND NOTICE". I am brand new to all of the paperwork that is attached to becoming a corporation (as I have never done this before), but I know that I never received the "FIRST NOTICE". Needless to say I was taken aback by the late fee of \$550.00, when I had never had the opportunity to pay the original fee. I contacted the person who prepares my income taxes, etc. and asked him what to do. He said that the first notice usually arrives sometime in January and that the fee is \$150.00. I was not aware of any of this, and I have always paid my bills, IRS, forms and notices on time. I apologize for not paying the fee when due, but I simply did not receive any paperwork. My mail is delivered to my rural route mailbox, and needless to say sometimes I receive other people's mail that I return to the post office. Perhaps my "notice" ended up in someone else's box and they did not return it to the Post Office. I am not an excuse maker, but please believe me that I would never have overlooked something this important. I am enclosing a check for \$150.00 and asking that you please waive the additional \$400.00. I know now to look for the form in January of next year, and if I do not receive one, then I will contact your office. Thank you for your time and attention to this matter, and again I am sorry to bother you with excuses, but if this letter will help clear things up, I promise to never bother you again.

Sincerely,

  
Susan R. Solburg
