To whom it may concern,

Today Thursday July 6th I received a 2nd notice letter stating that I had not filled out the year 2000 uniform business report. I am writing this letter to let you know that I did not receive the first letter or application to be filled out for the year 2000. Please, I am asking you to wave the \$550 dollar fee due to the letter I never recieved. This company was opened in late August, and we keep a very close eye on all the mail that comes in, to make sure we do not have any late payment fee or bad credit. This company is a very small family business. I have inclosed a check for \$155 dollars to cover the year 2000 (UBR). From the bottom of my heart, I am asking you agian to please wave the late fee. I can promise you this will never happen agian. We have posted an alert message in our computer system to flag next years (-UBR-) in January. My family and I thank you in advance for your time and review on this matter

Scenically,
Jose Sanchez Jr.
