To Whom it May Concern,

As per our phone conversation today May 3, 2002, I realized my report is late. I called your office and was told to send a letter of explanation as to why it is late. This is the first time I have ever been late. I am very pregnant and have had trouble with my pregnancy, I am under doctors care and on medication. I do all the office work for our business and have not been able to give it the attention it needs. My husband does not know how to run the office aspect of our business. Every year prior on April 1st my Attorney, calls to remind us to mail this form in. He neglected to do so this year and with me being sick all the time it has been over looked. Again, I have never been late in the years past and never intend to be in the situation again. We can not afford the late fee and hope you will waive it this one time. Your office said to send the explanation letter along with the form and payment although there is no guarantee, they are still being processed and it is not that late. Again I am so sorry and will mail it from now on as soon as I receive it.

Sincerely,

Bonnie Anne Hall
