Dear Sir or Madam:

My name is Keith Duryea and I am president of Keith's Irrigation, Inc. In 2004 I did a small sub contracted job for Steven Deputy owner of Natureland, Inc. located at 5191 85th Street Vero Beach, FL 32987.

I recently received a call from a gentleman named Jack from Global Systems who is looking for payment of \$28,000 for a debt owed by Natureland, Inc. to Cherokee Manufacturing. I was informed during this call, much to my astonishment that I am listed as an officer of Natureland, Inc.

Enclosed is a copy of the letter I have written to Mr. Deputy. Please remove my name as an officer of Natureland, Inc. on the public records as I was added to this corporation without my knowledge. If you should have any questions please do not hesitate to contact me at 385-7388-7388.

Sincerely,

Keith Duryea
