Division of Corporations

Based on our conversation earlier today, I am forwarding new documentation outlining changes in my organization.

As we discussed we did send notification of changes when we changed our attorneys in the United States back in 2000, however it was somehow overlooked and we have not received any correspondence from yourselves since 2001.

We understand that there were filing fees due and did forward at the beginning of May new documentation and a check for \$750.00 to pay the past owed fees.

I understand from our conversation that our company will be re-instated to an active status upon the receipt of these documents, thank you again for your timely response to our dilemma.

I trust that this is all of the information you will require, however should you need to contact me please feel free to call me on my mobile phone (772) 370 5362

Respectfully Yours

Roger J Jones

Managing Director
