RE: GREENWICH CONSULTING, INC

Dear Florida Department of State,

I was advised by Sammy Caldwell, to send a notarized statement of fact regarding the above referenced corporation. Apparently, an individual by the name of William Fusco, reinstated my corporation without my knowledge. I have included a copy from the Florida Department of State's website indicating the same. It was filed on April 28, 2016 CR1824327427. Kindly, please note this for your records. I have never known Mr. Fusco or had knowledge of this.

Respectfully,

Tammy Tocci
