To Whom This May Concern:

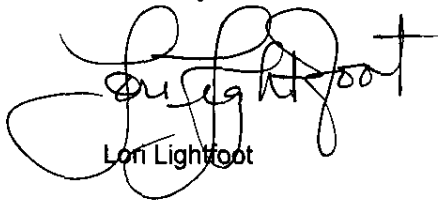

On April 23, 2003 I mailed in my Uniform Business Reports for my two companies. Since I know that the department of state does not mail renewal confirmations I went to sunbiz.org to check the status of my renewal. There I found my renewals had not been updated.

I then sent an e-mail to your online help at corphelp@dos.state.fl.us. A representative checked my account and informed me that state records showed no form filed for either of my companies. They recommended that I contact the filing department at 850-245-6059 option 4. I called this number, and another representative told me to determine if the two checks had cleared. Then, if they had not cleared the bank she recommended that I immediately mail copies of both of my USB reports with a letter of explanation and payment.

I researched the checks with my bank records and there I found that neither check has cleared my account. I do not understand what has happened; but at this time, I will put a stop payment on both checks. Enclosed you will find the copies of the two USB reports I filed on April 23, 2003, and two new checks for the payment of my renewal. I have also signed and dated the copies just in case you need an original signature. If you need any additional information please feel free to contact me by e-mail at lori.Lightfoot@msn.com or call 352-589-0470.

I thank you in advance for your help.

Sincerely,

Lori Lightfoot
