2000 Uniform Business Report

Dear Sir/Madam:

The captioned Taxpayer received a notice requesting a \$550 (i.e., Late) Payment for their 2000 UBR filing.

To begin with, they have no record of having ever received an earlier mailing for this report. But they weren't expecting it, either.

Although they incorporated in October, 1999, there was absolutely no activity, of any sort, until mid-January, 2000. When the entity was formed there was a question as to whether or not it would ever be activated. Then, in mid-January, 2000 it was determined that entity should be activated and it was then that shares were issued, a Federal ID # was requested (and obtained on 1/26/2000) and 'S' Corporation status was requested.

While the shareholder is totally familiar with the UBR filing requirements and has always filed them timely for the other businesses he has, he never thought of this entity as being active, so did not think about requesting a UBR form (while he was filing all the other UBRs) because it never dawned on him that one was required.

Accordingly, we are asking that you accept the accompanying check, in the amount of \$150 and the completed form as a timely filing.

Respectfully submitted,

Peter L. Fishel
