To Whom It May Concern:

I am writing this letter to apologize for my 2000 Uniform Business Report being filed 2 days late. I realize that this was my second notice and I had every intention of being on time. The first report was lost during our move in the spring and since this was our first year in operation, I did not realize the importance of the document. After speaking with my accountant, I now realize the importance.

Unfortunately, the envelope holding the report was in the visor of my car with other correspondence and I failed to pull it out of the visor with the rest of my outgoing mail for Wednesday, September 13th. I am terribly sorry for this. I in no way wanted to be late again.

Isincerely hope you will accept my letter and apology and not dissolve this corporation. This is our first year in business and we are still "learning the business" and all the legalities that go along with the corporation.

Again, I sincerely apologize and ask that you accept my payment. Should you wish to speak to me personally, I can be reached at 561-778-2728.

Thank you for your consideration in this matter.

Sincerely,

Rochelle B. Manotas
