Reference: Annual Reports for Chokehold, Inc. and Leglock, Inc.

I recently received the second notices of filing for the above referenced corporations, at my home. These notices included the requisite \$400 late fee for filings after May 1.

The forms certainly did stand out, due to their size and the bold "notice to file" contained on the exterior.

I contacted your office via telephone, and advised the very kind staff member that I had not received any previous notices for either corporation. As distinctive as the forms and the warnings to file are, I am certain that I would have immediately noticed them, if I had received them around January (when your staff member indicated they had been sent).

I was subsequently advised to send this letter to your office asking for assistance with waiving the "late fees", as this is the first year of my first Florida corporations.

If you would be so kind as to waive these fees, I am certain that now that I am on notice that corporate reports and fees are always due by May 1, I will make certain filings are always made by that date, regardless of mail delivery.

I greatly appreciate any assistance in this matter.

Sincerely,

Louis Levine

President
