Re: Incorporation of Creative Imaging Solutions

Dear Sirs:

I represent the owner of Creative Imaging Solutions, Inc. My client initially incorporated as Creative Imaging Solutions, Inc. However, for accounting and tax purposes, he has elected to dissolve the corporation and to re-file as an LLC with the same name.

Accordingly, you will find enclosed the Articles of Dissolution for the corporation. You will also find enclosed the Articles of Organization for Creative Imaging Solutions, LLC. Kindly have the corporation dissolved and then file the Articles of Organization so that my client will retain the same corporate name. In addition to the Articles of Organization is the Acceptance of Registered Agent form executed by my client.

It is my understanding that the fee for dissolving the corporation is \$35.00 and that the filing fee for the LLC is \$125.00. Therefore, you will also find enclosed a check in the amount of \$160.00 for payment of these expenses.

Voldis,
