To Whom It May Concern:

I am the President of New Tampa Java, Inc. July of this year, I received the second notice pertaining to the business filing. This was the first notice that we received. On July 17th, I called your office and spoke to Anthony C. I explained our situation to him and he instructed to put the details in writing and just send the \$150.00. Following is what occurred.

Being new to the business world, I had no idea that we had to file this each year. My partners and I hired a manager to run the business since all three of us have other full-time jobs. Just before I received the second notice, I fired the manager due to lack of performance. After he was fired, I found various bills and notices that he just stuffed inside the store and did not tell anyone. This included electric bills, and alarm bills. I assume that he just threw away your first notice that was sent to us.

Enclosed is the check for \$150 for the filing.

Respectfully submitted,

  
Robert E. Weinhold  
President  
New Tampa Java, Inc.
