RE: P99000103087

Dear Division of Corporations:

Please find the enclosed (UBR) for Efird's Tractor Service and our check number 1055 in the amount of \$150.00. This is the SECOND NOTICE, however we were not in receipt of a FIRST NOTICE. This business venture was started November on 1999 with high hopes and expectations by my husband and myself. We have one tractor and my husband works the business part time as jobs become available. We are still just making enough to cover expenses unable to draw a salary from the business. I called my accountant when the enclosed (second) notice was received to make an appointment to find out how to file the report with your office. My accountant advised me that the (UBR) was due on May 1, 2000 along with all of our other reports for the first quarter and that this was a passed due notice and that penalties were being charged to us. The original amount that we would have been charged in April was \$150.00. We are new business owners and I thought that everything that I filed in April was all that was required of me. I am very sorry for the tardiness and had I known that a report and fee were due to you and that such a penalty would be charged I surely would of filed your report along with the rest that I was in receipt of.

Please advise if the enclosed report and fee are satisfactory or if you require anything further from Efird's Tractor Service.

Thanking you in advance
Efird's Tractor Service, Inc.
