Ref: Annual Report

To Whom It May Concern,

This letter is a request for abatement of the penalty for the above clients' annual report. I experienced a death in my family during the month of March, when I returned to work my receptionist quit, then my client experienced a birth in her family, not to mention by this time it was the middle of April which was the deadline for filing. We also went through several name changes with the corporation. During all the confusion I completely forgot to have my client mail the report, and after questioning her she doesn't remember receiving a report possibly because of all the name changes going on at the time. It wasn't until approximately one week ago when I was doing some follow up information on my client that I realized she was inactive. I would have never let this happen to my client intentionally. Especially knowing the stiff penalty that goes along with not filing on time. It would have made much more sense for me to have paid the \$150.00 than wait and pay \$600.00. Please take this matter into consideration.

Thank you,

Lisa Wiggins
