- (b) The business of the Corporation shall be managed by its Board of Directors; and the Board of Directors shall have power to exercise all the powers of the Corporation, including (but without limiting the generality hereof) the power to create mortgages upon the whole or any part of the property of the Corporation, real or personal, without any action of or by the stockholders, except as otherwise provided by statute or by the Bylaws.

Any director or any officer elected or appointed by the stockholders or by the Board of Directors may be removed at any time, in such manner as shall be provided in the Bylaws.
