RE: REINSTATEMENT OF CORPORATION

To Whom It May Concern:

I spoke to one of your representatives and she informed me that I need to fill out a reinstatement form as well as send a check in the amount of \$300.00. I have enclosed the check for \$300.00 and I tried to download the form from your website but it was printing incorrectly and all the information was neither legible nor fit on the page correctly. I did not want to lose anymore time and I have enclosed all the previous forms I filled out along with a copy of the letter issued by your department.

Please be advised that I never received the renewal notice. The company where I was using as my mailing address was moving and the mail was being misplaced! When I decided to change the address I informed the State and thought I would then begin to get my mail. To my surprise that didn't happen and when I called the State to find out if the renewal was mailed (I didn't receive it) they verified and the address and I informed them that the address was supposed to have been changed. They did change the address and I did receive the form. I filled it out and thought all was fine. Unfortunately a little over a month later I received a letter from the State asking me to explain why I think I should not have to pay the penalty. I did this and sent everything out again. I didn't hear anything and thought everything was fine. In October I was pricing insurance and I was told my company was "inactive". I was shocked and called the State immediately. I spoke to a representative and she informed me to fill out a form and send a \$300.00 dollar check.

I really appreciate your help and I really hope you will waive the penalties and help me get things, as they should be.

Is there an easier way to renew? What is the date that I need to renew by each year?

Thank you,

Samara Quinonez, V.P.
