To Whom It May Concern:

This letter is in reference to document number P99000109120 and its notice of administrative dissolution of my company. I was not aware of the need to file an annual corporate report and never received anything in the mail indicting my need to do so. I cannot explain why I never received the initial, however I can promise that I never received such a notice. My company is a relatively new one, and this filing is one that I was not aware of. It was never my intention to avoid paying the fee or neglect to file the paperwork. I have taken steps to avoid this type of thing from happening again by developing a warning through our accounts payable system to remind us of the need to file this report annually. With this information in mind, I am requesting that your department removes any penalty for late filing and my company granted a one-time dispensation. It is not my intention to request this again in the future, and I would greatly appreciate your assistance and understanding in this matter. Please find attached our reinstatement form and a check in the amount of \$150, the regular annual fee. Please advise me of your decision as soon as possible and please feel free to contact me at any time to discuss this situation. Again, I thank you in advance for your understanding and look forward to resuming my company's good standing with your department.

Sincerely,

Charlie Delatorre
