Dear Division of Corporations,

Yesterday we received the 2000 UBRs for all our four of our corporations. This is the first contact we have had of any kind from your office regarding renewals, etc.

My wife, Debbie, called your office and explained that fact to the gentleman who answered and he asked us if we had received an earlier version of the UBR for 2000. We explained that we had received nothing until now.

He then went on to say that because the corporations are new, that was probably the problem with communication from your office and why we didn't receive anything until now. He explained that no penalty would apply this time.

He said to mail the forms with a check of \$150.00 total for each corporation as soon as possible and because we had not received the materials in a timely fashion, this would be the total of what we owed. He went on to say that this is due yearly and to look for the forms at the first part of the year.

We have enclosed the money and proper forms following his instructions.

Thank you for your help in this matter.

Warm regards,

Mark Milburn
