To whom it may concern,

My name is L.N. "Solo" Yopp and I am the president of SOLO PRO, INC. I have just recently received the UBR and was not sure why the fee was so much. Upon calling your organization I was notified that these reports are issued at the first of the year. Our company was just incorporated at the first of the year and this is the first time I have seen a UBR on my desk. The person that I spoke with from your organization said that it would be best to send you a letter and explain our situation. She did inform me that I should look for this report at the first of each year and that would be the time to file. I have enclosed the check which she recommended, and I assure that this situation shall not arise again. I do have a question though, is there some where to find out about necessities like the UBR, before the notices come that they are delinquent? We have run into this type of problem before and have no way of knowing about items like this until we are notified of their absence. Your help would be greatly appreciated.
