To Whom It May Concern,

Yesterday we received late notice of our 2002 Uniform Business Report. This is the first time we have seen this form this year. After speaking with our accountant and a representative of the Department of State we understand that we are being charged a late filing fee of \$400.00. We ask that the late fee be rescinded, due to the fact that we were unaware of the obligations concerning this Report. We are a new business (1/1/00) and are now aware that we should expect this form to arrive in January. We are also aware that should the form not be received it is our responsibility to request the form and have payment made by the end of May.

Also, changes were made on last year's form which were not fixed on this year's form. Thank you for your attention to this matter.

Sincerely,

Anita E. Long
