To Whom It May Concern:

Enclosed you will find a copy of an email I sent to this department regarding non-receipt of first notice to file UBR. As I stated in my email, when I received notice to file the UBR for our company I was overwhelmed by the amount of the filing fee. I read the back side of the notice and saw where it stated that filing the UBR after May 1 would result in a \$400 late fee. Well I deducted that before May 1 the filing fee was only \$150, and then reading the front side noticed that it said "2nd Notice". Well I never received the first notice because I definitely would not wait four months to pay \$400 more. If I did decide this on my own I would take full responsibility in paying the \$550, but I did not make this decision.

In response to my email, Jennifer stated that I need to send a letter stating the above and a check for \$150 and completed UBR. Thank you Jennifer, you saved me from having a nervous breakdown!

Sincerely,

Angie M. Moore
